Re: Re: *U.S. v. Cannonier 20 cr 674 (NRB)*

Dated: New York, New York  
September 23, 2022

Dear Judge Buchwald:

I am counsel to Mr. Cannonier in the above referenced matter. Please accept this letter as a status report and in lieu of a formal motion requesting an adjournment of Mr. Cannonier's sentence.

The presentence investigation interview ("PSI") was scheduled to take place today, in person, at MDC Brooklyn. However, on September 20, 2022, I received an email issued by the MDC legal department informing that some units were placed on a 10 day Covid quarantine due to some inmates having positive Covid test results. The email indicated inmates in those units are not be permitted to leave for court appearances or in person visitation. Thereafter, I confirmed that Mr. Cannonier is in one of the quarantine units.

In light of the foregoing, the PSI did not occur today. Due to upcoming religious holidays and professional commitments, the earliest mutually available date -- for me and the assigned Probation Officer, Pamela Flemen -- is October 20, 2022. Accordingly, we have rescheduled the interview for this date. As such, Officer Flemen requests the Presentence Report disclosure dates be modified as follows: First Disclosure - November 18, 2022 and Final Disclosure - December 26, 2022. In addition, I respectfully request the sentencing date be adjourned for approximately 30 days after the Final Disclosure date, subject to the Court and parties' availability, to a date during the week of January 23, 2023.

I have conferred with the Government and they do not object to this request.

Respectfully submitted,

/s/

Jeffrey G. Pittell
